Fill out the secure online application at miclubs.org/bus

SCHOOLS PARTICIPATING (LIMITED SEATS!)

Elementary Schools
Keller Oakland
Oak Ridge Upton

Royal Oak Middle School

Additional Info (See Below)... Any Questions? Just Email/Call Us!

Cost for the whole school year will be \$400 per child. This will include bus pick up from your school on full days (no pickup on half-days) to the Club. There are only a limited number of spots, so please register asap by visiting miclubs.org/bus.

During the registration process, it will give you the option to break the cost into two payments. If you choose to do so, it will charge \$220 for September to January, and then there will be one additional \$220 payment required to cover February to June. Or you can pay \$400 in full.

Membership: To participate in the Transportation Program, you must have a current membership on file with us. All memberships are completed online. If you have not completed a membership in 2023, it means you are not current and need to fill one out. To fill out an application, go to miclubs.org/membership. The membership fee is \$50 for the whole year, and it is easy to fill out from your home.
